Meeting: **Regular** or Special

Notice given: Via e-mail, web page and Facebook page

Also present: Debra Baker, Kirsty Jones

Location and Time: Siemon Stable, Lower Valley Pike, meeting called to order at 4:20

Sizzler: The Champions Center has declined to host the Sizzler for 2019. Our options:

- Can do no show
- Can partner with the Dayton Horse Show (date 3 Aug, at Champions Center)
- Or can move show to Madison County Fairgrounds, weekend of Aug 3<sup>rd</sup>

As a group we vetoed joining the Dayton Horse Show.

Linda – No (on joining Dayton Horse Show)

Trv-lynn – Yes, gets Arabs exposed to new audience

It was suggested that perhaps the format for a show be a “Flat Price” to include stalls, classes, and clinics. We went around the room and discussed our options.

Laraine – Kind of likes the idea of Madison Co; would like to a show, not just a SH show

Cassie – Feels if we could keep costs down to appeal to wide group, ie classes w/o dress requirements, non-arab classes, and/or non-registered arab classes.

Linda – Likes Madison; wants non-arab classes; asked about value show format; are we doing Sport Horse and dressage.

Kristin – Conflicted. Won't show at the Sizzler; prefers show and clinic format; get more people involved to work.

Trv-lyn – Likes Value Show and clinic format. Being a different area have to work at getting the word out to 4-H; non-registered arab and open breed classes; need to advertise what we're offering; we die because we don't advertise and no sponsorships.

Debra – Try new facility; likes the dates in August; nice to have a show each month; doesn't know about clinic(s) – not sure one would want to sit around waiting for your turn (if you were last).

Kirsty – More open to everyone; dressage ride or “have a go dressage” ride class, judge comments, then ride again and be judged; non-rated show.

Sara – Does it have to be rated; can we just hose a show; we don't like temps and timing (of current Sizzler); clinic early or late in the show; our point is to promote the Arabian, an open show does that better.

Sharon – Do Madison county, do a Value Show.

Linda – Suggested Miami Valley Show pair with us to earn point for their high points.

Sara made motion to have a show at Madison County, 2-4 August, Larain 2<sup>nd</sup>, motion passed.

Sherri, wants to Value Show and two regions.

New Business: Cassie created a YouTube channel for the club. Two videos are on it, looking for horse related videos (ie brading), that are short. Will send e-mail blast with link. She also has a book out.

Meeting was adjourned at 5:45.
